TERI University has been awarded a contract by the MoEF, Government of India to conduct Mid Career Training for senior IFS officers. The consortium partners in this training are the University of Eastern Finland, Finland (University of Eastern Finland has partly outsourced the management of the training to EduSilva Association), The Yale School of Forestry and Environmental Studies, USA and Indian Institute of Management, Lucknow.

The University of Eastern Finland will organize the Foreign Module of the training during 20.09.2015 – 03.10.2015, of which in Russia from 30th September until 2nd October. In Russia our partner university, St. Petersburg State Forest Technical Academy, will participate organizing the course in Russia.

We kindly request that visas be issued to the officers for this time period to the aforementioned. Our University, Association and partner organizations are enthused about meeting and interacting with the IFS Officers, and anticipates very productive sessions both in the classroom and on field trips. We look forward to change ideas and knowledge, visit and interact with several Finnish companies, organizations and institutions.

Sincerely Yours,

Joensuu, July 28, 2015

Liisa Tahvanainen, Dr
Adj. Prof., University of Eastern Finland
Director (bioeconomy), EduSilva Association
