CAMPUS IN THE REEL WORLD

ABOUT THE INITIATIVE

The New Forest - the IFS training campus - an area which houses the FRI and its sister institutions including the Indira Gandhi National Forest Academy (IGNFA) is also home to a rich biodiversity. These flora and fauna become a part of our neighbourhood while we are at the campus. The campus is also adorned with heritage buildings, museums, nurseries and a beautiful landscape.

This initiative is aimed at making us more familiar with our neighbourhood.

The KYC (Know your Campus) initiative started by the IFS 2019 batch in this lockdown period shall come out with a campus related topic each day

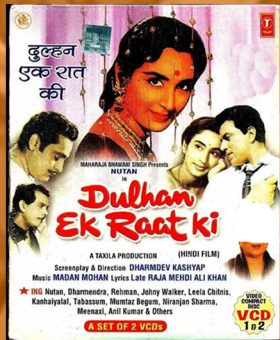

FOREST RESEARCH INSTITUTE (FRI CAMPUS)

Do you remember St. Teresa's College from the movie Student of the Year and its sequel? Or the DIMS college building of 2011 paranormal suspense thriller movie 404? Do you remember the iconic, marvellous architecture of these colleges?

Well its the same FRI campus used for filming these movies and many more.

FRI campus has always been popular tourist destination of Dehradun. The Green lawns, clean roads, magnificent roman architecture, arched galleries, a huge library, a large convocation hall. Things that attracts film fraternity to come here for shoot.
