Sub: Nominations of the Indian Forest Service (IFS) officers for three-days training workshop on “LiFE” scheduled to be held Indira Gandhi National Forest Academy, Dehradun from February 13-15, 2024 - reg.

Sir,

Please find enclosed a list of the IFS officers nominated by the Ministry of Environment Forest, Climate Change (MoEF&CC), for participation in **three-day training workshop on “LiFE”** to be organized by your institute/organization on **February 13-15, 2024**. The following points may kindly be kept in view for successful conduct of the training workshop.

- i On receipt of the list of nominations from the Ministry of Environment, Forest and Climate Change (MoEF&CC), the institute should immediately contact the nominated officer/request the PCCFs of the States concerned to forward the latest addresses of the nominated officers. The Course Coordinator may find out telephone numbers of officer concerned from our website <http://ifs.nic.in> (IFS Civil List – 2022) or Research & Training – In Service Training – Contact list of IFS officers.
- ii The officers nominated may kindly be intimated well in advance directly or through the PCCF concerned about the venue of the training workshop, how to reach the place, transport facilities to be provided by the institute, arrangements for their accommodation and the detailed schedule of the training workshop.
- iii The workshop may please be organized in a business-like manner avoiding prolonged inaugural and valedictory sessions.
- iv The quality reference/study material to be provided to the participants must have maximum available information at the national as well as global levels on the topic/theme of the training workshop including details of all connected/related websites.
- v Participants of these courses/workshops are IFS officers from a wide variety of background, experience and seniority which provides a very rich opportunity for meaningful horizontal interaction that besides exploring new options for problem analyses and solutions, is also important for national level policy and planning. On the other hand, managing such heterogeneous group of officers towards the above goals within the short duration of such training course/workshop would also be quite challenging for you. The Ministry is assured that you would have developed specific andragogical methods to deal with such challenges by making participants self-learners as the resource person of your institute remove barriers for such self-learning during the training/workshop sessions. The key to such an approach would involve making application of the knowledge and skill which your institute wishes to impact clear and upfront, building interactive exercises and turning the training/workshop sessions into problem-solving opportunities.
- vi Your institute may also like interacting with participants well in advance making them aware of the opportunities that might be available to them during each session or the training course/workshop as a whole, and seeking from them real-life issues on the broad subject of the training/workshop. Based on such interactions, few participants may also be invited to make presentations on their perspective on such identified issues/problem followed by discussions by participants that is facilitated by the resource person for the session drawing on national/international experiences in the field.
- vii The training workshop may have 2-3 technical sessions and One-day field visit is compulsory, where papers can be presented by the resource persons/participants and at least 3-4 brainstorming sessions facilitated by eminent resource persons on the sub-topics of the subject

for eliciting suggestions/recommendations which may be useful for making improvements in strengthening capacities of the State Forest Departments for managing these natural resources for better service delivery to all the stakeholders efficiently. One session may be devoted for synthesizing the suggestions/recommendations.

- viii *The boarding and lodging facilities to be provided to the officers nominated should be adequate to the tune of the expenses being reimbursed by the MoEF&CC.*
- ix The feedback received from the participants should be forwarded to the MoEF&CC in original.
- x The feedback documents along with summary of recommendations (2/3 pages) should be forwarded to the ministry within a week of conduct of the workshop. (To DIGF (RT), MoEF&CC) The detailed proceedings of the workshop may be forwarded to the MoEF&CC in the form of a bound volume within one month of completion of the training workshop.
- xi While forwarding the lists of the participants, please **mention officer's code along with cadre and year of allotment**. Kindly obtain their latest e-mail addresses and also send to the MoEF&CC along with the above details. GoI will reimburse the boarding & lodging expenses of the nominated participants for the duration of course plus one (only) more day, if the participants happen to arrive at the venue of the course on the previous day and depart on the day after completion of the course.
- xii The pre-receipted bills (in quadruplicate) for reimbursement of charges may be forwarded along with the list of the officers who participated in the training workshop. **The balance amount will be released after receipt of the duly audited accounts.**
- xiii For further detailed information, kindly visit our website (<http://www.ifs.nic.in>) and contact us for clarifications, if any.
- xiv It has been observed from the past experience that about 50%-60% of nominated persons attend the workshop. The attendance is however more at Bangalore, Goa, Jodhpur, Peechi, Agartala. The Course Coordinator therefore should contact the participants to know whether they are attending the workshop and plan accommodation accordingly.
2. Institutions should comply with GFR provisions and economy institution of Govt. of India issued from time to time.
3. The Ministry would like to receive, in addition to the standard feedback, a detailed feedback from your institute on the outcomes of the above approach to conducting training/workshop at the earliest, in order also to further improve the training scheme for IFS officers.
4. Kindly try to correspond, as far as possible, through e-mail (Except for financial matters).

Yours faithfully
