**IFS Probationers (2020 Batch)
&
Royal Bhutan Forest Service Officer Trainees**

GREETINGS FROM IGNF!!!

By now you would have joined LBSNAA Mussoorie, your new home for two months, in the lap of *The Queen of the Hills*. You are beginning a new journey in your life with initiation into the culture and ethos of civil service in the LBS National Academy of Administration, an institution with legendary traditions and accomplished creativeness in human capacity building for administration and governance.

We look forward to your joining the IGNF, in mid-December 2020, for 72 weeks professional training in forestry, in the sylvan ambience of the New Forest Campus in the *Doon Valley*. You may have a view of this campus from vantage locations from the Mussoorie hills on a clear day. You will be joined by few more probationers, who will be reporting to IGNF directly.

We will be in liaison with LBSNAA for the smooth and convenient transit from LBSNAA, Mussoorie to IGNF, Dehradun in December.
